How to order

Send us your property type, room count, target categories and destination port. We confirm specification, MOQ, packing, lead time and shipping terms, then issue a formal quotation and a sample plan.

1. Send your list

Share the item numbers from this catalog, or a reference image, drawing or product link.

2. Confirm specification

Material, size, colour, logo, packing and carton marks are frozen before production.

3. Sample & approval

Stock sample 3–5 days; custom sample 7–12 days after artwork confirmation.

4. Bulk production

Typical production window of 18–30 days after sample approval, depending on category.

5. Quality check

Inline and pre-shipment inspection; carton marks and loading photos are retained.

6. Export shipping

CI, packing list, CO / Form A / E, insurance and requested test reports are prepared.
